

CampusWear Information

Updated January 2024

Consistent with our mission as a Christ-centered school, Asheville Christian desires to enhance its learning environment in positive ways. Research and experience demonstrate that a formal dress standard has a positive impact on a student's frame of mind. In light of these findings, and with respect to the values of an academic setting and moderation, CampusWear guidelines have been designed as a standard for our learning community. Whenever and wherever Asheville Christian CampusWear is worn, it should be done so with an awareness of the responsibility borne to represent Asheville Christian in a positive light. Along with the staff, our students are ambassadors to the community. CampusWear allows for more choices as students move through each level (i.e. lower, middle and upper school).

Below are the descriptions of the standards for each level. This is the standard that parents/students should use when shopping for CampusWear. Approved retailers are Land's End (School Code 900125063), Read's Uniform (School Code ACANC) and The Spirit Store (located at school).
